Add to folder: Articles can be added to your personal My EBSCOhost folder by clicking on the **Add to folder** link found with each article in the results list. When an article is added to the folder, the link will change to **Remove from folder**. The last three articles added will appear under **Folder has items** on the right of your screen.

Alert/Save/Share: The **Alert/Save/Share** link allows users to create search alerts, save searches to their My EBSCOhost folder, create RSS feeds, copy a persistent link to their search, or add the search as a bookmark to a web browser.
