[Important Vendor Information](#) [Important Note for California and Illinois Users](#)

Many of our members have received calls recently from the vendor, ProSource, which represents itself as calling "on behalf of the summer reading program" and attempts to sell products that include the CSLP slogan, "Dig Into Reading." We want to remind our members that CSLP's official vendor is Highsmith (Upstart) and they do not make unsolicited calls. We have an exclusive arrangement with Highsmith that allows us to protect the copyrighted artwork and to receive a licensing fee for the use of CSLP's trademarked slogan "Dig Into Reading." The revenue CSLP receives from its licensing arrangement is an essential source of support for the CSLP program and it is in all members' interest to purchase from our exclusive vendor.
