## Westlaw Online

The State Library has subscribed to Westlaw legal services in print for years, but we now have them in electronic form. This makes them much easier and more effective to use because they are all together in one searchable service. **Please note** that our service is only available in our library and that anyone is free to come in to use it – or contact us.

The most valuable part of the service may be the **access to forms from Ohio and 30** other states. Need a legal form or government program application from Kentucky or Indiana? We have it through Westlaw.

Here are **just some** of the many other features included in our electronic Westlaw subscription:

- Ohio Jurisprudence
- Ohio Revised Code and Ohio Administrative Code
- Ohio Attorney General Opinions
- Ohio Cases
- Ohio Civil Rights Commission Decisions
- Ohio Ethics Commission Advisory Opinions
- Ohio State Employment Relations Board Decisions
- Ohio Tax Regulations
- Ohio Workers Compensation Administrative Decisions
- All U.S. Supreme Court Decisions
- Federal Bankruptcy Rules United States Code Annotated

Remember that we are not authorized to give legal advice, but can only do a requested search (or show you how to do it) and give you the results. Contact us at 614-644-7051 for information.
