## Introducing EPUB eBooks

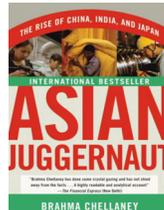

Currently, the [Ohio eBook Project](#) has over 12,000 copies of both digital audiobooks and ebooks, including over 400 EPUB titles that are now available. EPUB is a digital version of a book that has been optimized for on-screen reading. The text in an EPUB ebook is reflowable, which means that you can change the size of the text, or alter the size of your display, and the text will rewrap itself to fit the available viewing area. EPUB ebooks also support embedded content, allowing, for instance, a Flash video to be embedded within the eBook. In order to use these DRM-protected ebooks, [Adobe Digital Editions](#) must be installed and activated on your computer. In addition to being usable on many computers, you can use EPUB ebooks on certain portable ereader devices, including the [Sony Reader](#) and [Barnes and Noble nook](#).

Here is a small selection of the content that is now available:

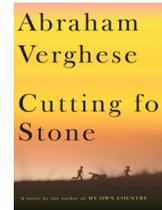

[A Funny Thing Happened on the Way to the Future: Twists and Turns and Lessons Learned](#) by Michael J. Fox

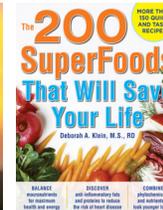

[Asian Juggernaut: The Rise of China, India, and Japan](#) by Brahma Chellaney

[Detox Your Desk: Declutter Your Life and Mind](#) by Theo Theobald, Cary L. Cooper

[Cutting for Stone](#) by Abraham Verghese

[The 200 SuperFoods That Will Save Your Life: A Complete Program to Live Younger, Longer](#) by Deborah A. Klein

[Composting For Dummies](#) by Cathy Cromell, The National Gardening Association

A valid library card from the State Library of Ohio or one of the [member libraries of the Ohio eBook Project](#) is required to check out ebooks. For more information about signing up for a State Library card go to: [www.library.ohio.gov/PCS/GetACard](http://www.library.ohio.gov/PCS/GetACard)

## Videos on DVD Added

The State Library has a large collection of videos that are very useful for staff meetings and exercises. Up to this point, almost all of them have been on VHS video tape. We have now added **14 of the most popular ones on DVD**. Click [here](#) to see the titles of these.

Our videos can be borrowed just like books via our online catalog. If you know a title, put it in the search box on our home page (just enter a keyword or two if you want to indicate a subject). Change the **Libraries Worldwide** to **State Library of Ohio** and click on **Search**. On the results screen, click on

**Visual material** under **Format** on the left side of the page.

**Note:** If you find a video that **only indicates VHS**, be sure and click on **View all editions and formats** to see if we also have it on DVD. Let us know at [refhelp@library.ohio.gov](mailto:refhelp@library.ohio.gov) or 614-644-7051 if you don't find what you need.
