

Ohio Heritage Partnership: A Statewide Initiative Survey Partners

The following individuals have agreed to provide support and assistance to individuals and organizations around the state in completing the Connecting to Collections needs assessment survey. If you have any questions while completing the survey please feel free to contact either the museum or library representative from your geographic area.

Additionally contact information for staff at the State Library of Ohio and the Ohio Historical Society has been provided. These individuals are also readily available to assist you in completing the survey.

We hope to receive a representative sample of surveys from all of the state. As the closing date for the survey approaches, you may receive a call from one of the individuals listed encouraging you to complete the survey.
